THE 2nd INTERNATIONAL CONFERENCE ON CHILDREN'S MUSIC THERAPY  
Music Therapy in Pediatrics 2025: Navigating a Field in Flux

## Call for abstracts.

The 2nd International Conference of Music Therapy in Pediatrics 2025 wishes to inspire and set the tone for a deep dive into today's reality in pediatric hospitals. We wish to gather experienced clinicians, researchers, new graduates, and students to share insight, and to explore possibilities for music therapy with children and adolescents in medical settings.

Go to [www.mtiped.com](http://www.mtiped.com) for more information.

We hope to see you in Oslo!

Sincerely,

Tone Leinebø Steinhardt and Dr. Stine Camilla Blichfeldt-Ærø,  
Organizing Committee
